Rep. Travis Tranel: Statement on Congressman Paul Ryan Choice for V.P.

“Congressman Paul Ryan is a bold and courageous choice for Vice-President. It was truly an honor having him campaign for me last month in Southwest Wisconsin. I am proud to call him a friend. Governor Romney has made a very wise decision for our country’s future. Paul is a person of strong character, solid conservative convictions and is genuinely committed to solving our country’s most pressing problems. The Romney/Ryan team will help bring America back to prosperity.”
